

Invitation

If you are a district 4 school which attended two or more meets before December 9, 2018, we hope to see you at the district tournament/state qualifier. You must have had at least one student compete in at least one speech event to count as attending a tournament. The same holds true for debate. To compete in Public Forum, Congressional Debate, or LD Debate a school must have competed in that event two times by December 9, 2018. It can be the same student at two different events or two students at one event each.
