

November 14<sup>th</sup>, 2018

Dear Forensics Colleague:

You and your squad are cordially invited to attend the **2019 College of DuPage *Frank-ly Speaking* Tournament**, named in honor of forensics icon and former College of DuPage Director of Forensics Frank Tourangeau. This year's tournament will be **held *Saturday, January 19, 2019 (IE)***. ***There is a separate IPDA Tournament on Friday, January 18<sup>th</sup>***.

We will offer 11 individual events following Phi Rho Pi guidelines.

Please pay special attention to the Phi Rho Pi event descriptions, which do not always directly correspond with AFA or NFA guidelines.

We will hold open finals for all events, which means that students have the potential to qualify events for AFA and NFA, to the same extent they would at any open tournament. If entries warrant, we will hold community college division finals in addition to the open finals. Details are included in the invitation.

*Note: we will be hosting an International Public Debate tournament on Friday, January 18th (the day before the IE tournament) with four prelim rounds and an open and community college final.*

Looking forward to seeing you on Friday, January 18th for IPDA and Saturday, January 19th for IE's.

Sincerely,

Brandon Wood, Director of Individual Events, Tournament Director  
Lauren Morgan, Director of Forensics  
Kacy Stevens, Director of Debate

## ***GENERAL INFORMATION***

**PARTICIPATION:** Any regularly enrolled student is eligible to enter as many as six events; however, the participant may not enter more than three events from each grouping (one person may enter two duos in Group B as two of his or her three events).

There is no limit on entries per event; however, if a school enters more students than there are sections in any one event, the tournament director may place more than one student from the same school in the same section. This may be done even if there are enough sections to allow for the best use of judges. **Triple entered students (TE) must sign in to all three events prior to the round. Judges will not be required to wait for students that have not signed in.**

**FEES:** \$8.00 per individual event slot. One judge for every six individual event slots must be provided. A limited number of hired judges can be provided at the rate of \$10.00 per uncovered individual event slot. Change/drop fees range from \$5.00 to \$25.00 (see DEADLINES section). **Make all checks payable to Lauren Morgan.**

**ELIMINATION ROUNDS:** Preliminary rounds for individual events will be randomly paired. The six participants with the best rankings will advance to the open division final round. Standard tie breakers will be used. The six community college participants with the best rankings that have not advanced into open division finals will advance to the two-year college division finals; however, we will not advance more than half of the field of community college competitors into a final round. Again, standard tie breakers will be used. We will do our best to provide a full panel of three judges for all finals; however, if we have a limited number of judges available, community college finals may only be assigned one judge. Awards will be given to all participants advancing to a final round.

**TEAM SWEEPSTAKES:** For individual events, awards will be given to the top three community college teams (1<sup>st</sup> place receiving the Jim Collie Community College Sweepstakes Award) and to the top five colleges overall. Sweepstakes for both divisions will be based on final rounds only. Sweepstakes points earned in the community college division will not count

in the open division. Sweepstakes points earned in the open division by a community college participant will count in the community college division. The following point allocation will be used:

|                                | Two Year Division | Open Division |
|--------------------------------|-------------------|---------------|
| 1 <sup>st</sup> Place          | 6                 | 12            |
| 2 <sup>nd</sup> Place          | 5                 | 11            |
| 3 <sup>rd</sup> Place          | 4                 | 10            |
| 4 <sup>th</sup> Place          | 3                 | 9             |
| 5 <sup>th</sup> Place          | 2                 | 8             |

| 7 <sup>th</sup> or Later Place | 0                 | 6             |

**THE JODIE BRIGGS INDIVIDUAL SWEEPSTAKES AWARD:** A contestant must be entered into a minimum of any four events to qualify. Awards will be given to the top five overall students and the top three community college students. The winners will be determined by the largest number of sweepstakes points earned for their team according to the previously listed schedule. Entry in individual sweepstakes is the responsibility of the coach when making the entry.

**EVENT RULES:** For individual events, Phi Rho Pi event descriptions will govern event operation. For complete information on the web, visit <http://www.phirhopi.org>. THERE IS ONE EXCEPTION: **IMPROMPTU FINALS WILL FEATURE THE USE OF A QUESTION (USING NFA GUIDELINES), RATHER THAN QUOTATIONS.** For examples and explanation visit: <https://tinyurl.com/ycwm7ceo>

1. All public events must be the original work of the contestant.
2. No speech or program, in part or in its entirety, may have been used by the contestant prior to September 2018.
