ELIGIBILITY

School/Team Eligibility

To compete at the tournament, students must be enrolled in a collegiate debate organization recognized by and in good standing with their home university. Tournaments are open to any regularly enrolled undergraduate in a two-year or four-year college or university in good standing with and representing the school's debate team/club.

Contestant Eligibility

The eligibility guidelines of the respective sanctioning organizations for each competitive event will determine the eligibility of individual competitors to take part in the WSCA tournament. No contestant may enter the tournament unless representing a school/team that meets the requirements identified above.

ENTRY LIMITATIONS

Students may enter no more than three individual events per pattern; or they may participate in NFA LD debate. Students are responsible for making it to all rounds on time; if a student does not perform by the end of the scheduled round, they may be dropped from the event. *A student may not enter both LD and IEs; they MAY enter IEs and NPDA Debate (or IPDA Debate).*

JUDGING REQUIREMENTS

1. Each institution must provide adequate judging to cover their entries. Obligations are as follows:
 - a. One judge covers two NPDA or IPDA debate teams. One judge covers 5 IE slots per pattern OR two LD entries.
 - b. All debate judges are committed through the first full elimination debate and/or one round past their school's elimination from the tournament. All IE judges are obligated through finals.
 - c. Failure of a school to meet its judging obligation may result in the withdrawal of that institution's students and/or the assignment of judging fees.
2. We will gladly hire you if you can judge beyond your commitment. If you know of qualified individuals who would like to be hired, please have them contact the Speech Activities Coordinator.
3. Disclosure: Disclosure is at the discretion of the judge in debate rounds and should follow the return of the ballot. Critics may disclose as much or as little information as they see fit so long as it *does not interfere with the tournament schedule*. Delays caused by coaches/judges may, at the tournament director's discretion, result in penalties to that school's teams including removal from the tournament. We don't want to do it, so don't put us in a position where we would need to do it. NOTE TO JUDGES: All debate rounds must have one winner and one loser.

Practices and Standards

The WSCA Tournament subscribes to and will abide by the NPDA and IPDA rules and bylaws for debate, and the AFA Code of Standards.

Brackets will be broken in the pairing of elimination rounds of Parli and NFA-LD. As per the IPDA bylaws, brackets will not be broken in IPDA.

AWARDS

Competitor Awards

At minimum, the WSCA tournament will recognize and provide awards for the finalists in each division of debate, the top three IE competitors in each IE event, and the top junior competitor in each IE event.

Tournament Sweepstakes

At minimum, sweepstakes awards will be awarded to the top two four-year and the top 2 two-year institutions competing in the WSCA tournament.

Sweepstakes awards will be based on the following point system:

IEs

1st Place IE: 10 points

2nd Place IE: 8 points

3rd Place: 6 points

IE Finalists: 4 points

IE Semi-Finalist: 2 points

Debate

Debate sweepstakes will be awarded 5 points for each preliminary win for the top four teams/entries from any one school in each division.

“Best in the West” Traveling Trophy

Each year, the WSCA Tournament will award one “Best in the West” award, a travelling trophy determined by most cumulative points from past WSCA tournaments, beginning with the 2019 tournament. Schools will total their overall sweepstakes points from each WSCA tournament, accruing a cumulative total throughout their years of participation.
